Dear Parents

Greetings !

Pls note that the following activity will be conducted on **Friday , 21.05.21**

TANGRAM

Tangram is a mathematical based activity.

A tangram is an ancient puzzle with specific pieces that fit perfectly together. Well , it's just the beginning so we will start with basic level.

Tangram puzzles can help children build knowledge of geometric terms and help them develop stronger problem-solving skills.

Teachers will be doing this interesting activity in the class **BASED** on it on Friday.

Pls keep ready 1-2 colourful origami paper and fevistick/Fevicol ready to do this activity.

Thanks
